**Re: IN THE MATTER OF THE APPLICATION OF GDF SUEZ RETAIL ENERGY SOLUTIONS, LLC D/B/A
THINK ENERGY FOR A CERTIFICATE TO PROVIDE ELECTRIC SUPPLY SERVICE WITHIN THE STATE
OF DELAWARE (FILED NOVEMBER 15, 2011) - PSC DOCKET NO. 15-1004**

Dear Ms. Griffin:

The Delaware Public Service Commission ("Commission") is in receipt of the fixed price residential customer contract proposed to be used by the GDF Suez Retail Energy Solutions, LLC d/b/a Think Energy ("Company" or "Think Energy"), received by the Commission on May 27, 2015 and the revisions made to the contract at the request of Staff submitted on June 15, 2015. Staff respectfully requests the following revision to the contract as stated below in order to comply with 26 *Del. Admin C.* §3001 ("Supplier Rules").

Relocation

Section 2.1.1.9.6 of the Supplier Rules provides as follows: **A statement informing the Residential or Small Commercial Customer that, because of relocation outside of their current EDC's service territory, he/she may terminate his/her contract with his/her Electric Supplier with no termination fee upon a 30-day notice in writing to the Electric Supplier.** This section of the rules is not reflected in the contract as submitted. Please make revisions to the contract to comply with the relocation section as required in the Supplier Rules.

- Staff respectfully requests that the language that was included on the revised Summary page, regarding relocation outside of the EDC's service territory, be included in the body of the terms of service as well. The term "Summary" indicates to Staff, and we believe to customers, that this language is included in the terms of service.
